On the mountain, God gave Moses
rules for the people to follow.

God's rules will help you, too.

Give God first place in your life.

God gave these rules to help his people live good lives and be closer to Him.

Do not worship anything or anyone but God.

Be happy with who you are and
what you have.

God's name is special. Use God's
name with respect.

Tell the truth.

Save one day each week to rest
and spend time with God.

Respect and obey
your father and mother.

Do not steal. Treat other
people's things with respect.

Do not harm anyone.

Mothers and fathers should keep their promises to each other. Act with love and keep your promises.
